

2026 Eagle River Pickleball Association and ATP-Pickleball – June Camp

Monday June 22 – Friday June 26

The 9th Annual ATP Camp returns to Eagle River Pickleball Association (ERPA) from June 22 through June 26 at Riverside Park in Eagle River, Wisconsin. Advanced Training Professionals (ATP) John Sperling and Scott Tingley bring the latest strategies and skill development to enhance ERPA members' skill level.

The Camp will offer multiple-day clinic sessions and the 2 & 2 focused sessions.

Clinic Sessions:

Once again, the ATP Pros will bring their expertise to the multiple day clinic sessions. The clinic sessions are scheduled on Monday, Tuesday and Wednesday.

The player to Pro ratio will be 8 to 1 for a more personal instructional experience. Review the Registration Form for specific dates and times. The group sessions are \$200 which includes a \$35 fee to ERPA for hosting the event.

The clinic sessions are limited to 48 players. Due to the popularity of the clinic sessions, the Pros and camp coordinator may adjust players' levels in order to ensure 16 players per level. Players will be grouped with players of similar skill level.

2 & 2 Focused Sessions:

Again this year is the popular 2 & 2 session – a session where you and your partner learn how to best play together as a team. During this 1.5 hour session, you will play with each Pro as your partner and then with your partner against the Pros. The focused sessions are designed to expand on key takeaways from the clinic sessions and give players a more team-based look at the game. Sign up with your partner. In order to participate in the 2 & 2 focused sessions, players must attend the multiple day clinic sessions. The 2 & 2 sessions are \$70 which includes a \$15 fee to ERPA for hosting the event. The 2 & 2 focused sessions will be scheduled on Thursday and Friday and will be limited to five sessions each day. Register early.
